Present: John, Eric, Bo, Alena, Rofaida

Protocol by John:

- Checking email
- Got an email from the International Office, about advertising for an international event.
- Send the email to Daniella and tell her to advertise on instagram.
- John can also put the info on the website.
- Another email about budget.
- An email titled “dringend” and for some reason we did not open it.
- Someone needs to respond to him. Rofaida will respond. Sent in March, but nobody responded and Rofaida was scared to open it.
- Respond to him, and we will decide on the delegate at a later time.
- Thank you Bo.
- Budgetary concerns about something.
- Nicolaid took care of it according to Rofaida.
- We have lots of money.
- They sent us money, and we just need to check to make sure that the budget is OK.
- Do we want to spend the money?
- Last time we wanted to spend more some time on review sessions before the final.
- Rofaida's English “What’s it called? Blue balls?” We are leaving this here, because Rofaida told me.
- Could we make the tutorial that was mistakenly mentioned, happen?
- Bad experience last time, do we still want to do that.
- We seem to like the review session.

- We are considirng the general tutorials.
- John is down to help. Maybe Bo.
- Requires contracts to do it.
- We will email Anja and see when the earliest date for a contract is, and than discuss further.
- thinking about doing the same format as the Java 1 discussions.
- Talking hoodies again.
- Ask the individual their preferences and just buy them.
- Decorate the door?
- Rofaida has a PS5.
- Brechtbau planem.
- Brechtbau planem is very mad at us for being bad members lmao.
- Bo says he can try to. NVM
- Angellica Zirka or something sent us.
- Nicolai says he can email her.
