

April 21, 2023

Present: Paula, Rofaida, Daniella, Katya, Lina, Max, Chen, Kelly, John, Alena

Protocol by John:

- Intros
- Talking about some amibos and switch games, very important.
- Is the time OK?
- set up a poll in the group, and see.
- Usually we get money for repitoria, but we did not spend that money. So what do we want to do with the money.
- Miscommunication in offering class offered by Fachschaft.
- Offer reviews near exam time.
- Might need extra help for Java.
- Who would like to give a tutorial?
- Format: Google form that have students go over.
- Decide format by considernig how much money we have.
- Maybe once a month?
- Study group, instead of tutorial.
- Update the website.
- Need help being an international study.
- More game nights? More social events?
- Maybe have thing before fachschaft.
- Make an unofficial document because nobody knows how the modul hand-buch is like.
- Frustrating to start in a summer semester, may be hard to start with pre-reqs.
- Asking about communication with professor.

- Pub crawl.
- Next time, pub crawl, enrollment.
- Add room info.
